

# Website and Social Media Release for Clarksburg Animal Hospital

We periodically take photos of the things we are doing and the patients and clients who visit our hospital. We plan to share some of those online or in print for marketing purposes and would like your permission to use images of your pet and/or you. We will never share personal information or any medical details without getting additional permission from you. We will not use any names other than your pet's name without also getting additional specific permission from you for that purpose.

\_\_\_\_\_ Clarksburg Animal Hospital, Inc., has permission to use **images of my pet** or myself for online or print marketing purposes.

\_\_\_\_\_ Clarksburg Animal Hospital, Inc., has permission to mention my **pet's name** for online or print marketing purposes.

\_\_\_\_\_ Clarksburg Animal Hospital, Inc., does **NOT have permission** to use images of my pet, my pet's name or myself for online or print marketing purposes. Images of my pet for medical records will remain only for medical records and never be released.

I understand that my name and any medical information related to my pet will never be used online or in print without express written permission from me.
